## A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

## CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground (Ascot United) and won the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup, aka the League Cup.

## AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying the state of the art 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

## Brief history of Wokingham Town FC

Although a new name for many, this season marks the 150th season since Wokingham Town Football Club was formed, making it the fourth oldest club in Berkshire. In 1912, WTFC won Division One of the Ascot League alongside the Camberley Hospital Cup. In 1921, it switched to the Reading Temperance League, with the team winning the Division One Championship in 1925. That success brought a desire within the club to own its own ground. A fundraising initiative was launched & in 1928, having raised £750, the purchase of the Finchampstead Road enclosure was completed. In 1953, the final of the Berks & Bucks Intermediate Cup was reached, & the stage was set for entry into senior football. The club joined the Metropolitan League, & subsequently transferred to the Delphian League. The 1957/58 season saw a memorable FA Amateur Cup run. The club caused upset after upset from the early qualifying rounds to reach the quarter finals. In round three, WTFC produced its finest display, defeating West Auckland. After the match a complaint was made that Town had played an ineligible player. The FA ordered a replay, & a large crowd saw WTFC win 3-2. In the next round, due to the national publicity, a crowd of almost 10,000 saw WTFC lose 3-2 at Crook Town. That remains the largest crowd to ever watch a WTFC match. The 1969 season saw the club's first success in the Berks & Bucks Senior Cup. In 1981/82, WTFC won the Isthmian League Division, thereby gaining promotion to the Premier Division. Although only finishing in 17th position, that season marked another milestone for the club by reaching the first round proper of the FA Cup for the first & only time. A 1-1 draw against Cardiff City at Finchampstead Road was followed by a 3-0 defeat at Ninian Park in Wales. That same season also saw WTFC's second success in the Berks & Bucks Cup with a 2-0 win over Bracknell Town. The 1987/88 season was perhaps the most successful in the club's history. The semi-final of the League Cup was reached for the first time, & the Berks & Bucks Cup saw a narrow defeat in the final. However, the club reached the semi-final of the FA Trophy, being paired in two-legs against favourites Telford United. The two legs, which ended in a 3-0 defeat, saw a combined total of more than 6,000 spectators. After selling its Finchampstead Road ground, the club led a nomadic existence until 2004, when it returned to the town in with a merger with Emmbrook Sports to create Wokingham & Emmbrook FC. In our first season as WEFC, the club appointed Glenn Duggleby as manager we finished in 11th position in the Hellenic League 1 East. In the season 2005/06 the club appointed Tony Calvert, as 1st team player-manager, we finished 3rd. The season 2006/07 started with the managerial partnership of Jez Lynch & Danny Humphries. In November 2007 the experienced Allied Counties manager, Wayne Wanklyn, was appointed. Wayne, a former pro player & former WTFC 1st team player-manager. During his tenure Wayne secured promotion to the Hellenic Premier Division & won the Reading Challenge Cup at the Madjeski Stadium in May beating Woodley Town. In 2010 Wayne stepped down as First Team Manager & the club again looked internally, promoting Roger Herridge to First Team Manager & Dan Bateman to Assistant Manager & enjoyed first season in the Hellenic Premier League finishing 11th. Season 2011/12 saw more young local players progress through the Allied Counties team into the first team & saw the clubs first matches in the FA Cup in over ten years. A successful season saw the Sumas finish tenth in the league, reach the q/f of the League Cup & win the Reading Challenge Cup at the Madjeski Stadium in May. In Season 2012/13 the Sumas were able to go a step further on the previous season, because, as well as retaining the Reading Senior Cup beating Marlow United 2-1 in the final, the Satsumas finished in 8th. The 2013/14 season saw WEFC returning back home to Lowther Road, but having to drop down a division, playing in the Hellenic Division One East. Dan Bateman & Matt Eggleston took over the reigns as joint-managers, in a season that ended up with WEFC continuously climbing the table & ending up runners-up in the league. The Sumas also retained the Reading Senior Cup for the third season running, beating local rivals Finchampstead 5-0 at Madjeski Stadium in the final. The 2014/15 season saw the Sumas determined to challenge for League honours & promotion from D1 to the Premier League. Again managed by Dan Bateman & Matt Eggleston this turned out to be the most successful season since forming WEFC, winning promotion as League Champions, also retaining the Reading Senior Cup with a victory over local rivals Binfield & also just missing out on the County Cup losing in the final to Reading YMCA.

## Our FIFA Certified 3G Artificial Pitch

[Burnham Football Club](#) has invested heavily in a FIFA Certified state-of-the-art 3G artificial pitch. Along with free parking and hospitality, this is the perfect facility for hosting charity matches, corporate football matches or even filming promotional videos. If you would like to book our [3G pitch](#) you can do it using the booking form provided here. Simply tell us your dates and times and we'll talk to you about availability and payment.

If you arrive early, for whatever reason, no problem. You can wait in the Blues Bar or in the outside seating area until your allocated start time. We also ask you to allow enough time before your paid session ends for the hand over. Once you have finished your match why not grab some refreshments from the [Blues Bar and Cafe](#) before leaving The 1878 Stadium. Further information: [What's the difference between 3G and 4G?](#)

### Pitch dimensions

115 yards by 75 yards. The distance of pitch from the dressing rooms is 5 meters.

## Important information for players, managers and spectators

We have VERY strict rules regarding permitted footwear when anyone enters the pitch enclosure. Rules that apply to players, those in the dugouts and supporters who, for example, want to take photos. Please read – [Permitted Footwear at The 1878 Stadium, Burnham Football Club](#)

### For the benefit of the players

We want people to enjoy their time at The 1878 Stadium. If for any reason you forget to bring your boots or Astros, there is a selection of boots in various sizes you can borrow while you are here. Just ask a staff member at pitch side hatch for help.

Sitting or laying on the pitch (unless genuinely injured), wearing flat shoes, trainers, sliders, socks or bear feet has the effect of ironing the grass fibres. Flattening the surface damages the complex water drainage system, causing waterlogging and dramatically reducing the life expectancy of the artificial pitch. Socks only, bear feet, shoes, trainers or sliders with flat soles are NOT permitted – No Excuses! Abusive behaviour towards staff will not be tolerated. If you want to learn why, [click here](#)

### Please be aware:

- All teams are asked to share permitted footwear guidance prior to match day.
- There are signs strategically positioned explaining the rules.
- Our pitch, our rules – Ignorance is no excuse.

## Brief history of Wokingham Town FC (continued)

Based on the FA /Hellenic ground requirements the team moved into a ground share for the second half of the season with Henley Town but the 2015/16 season saw the demands of ground sharing take its toll as the team struggled to retain their League position & being relegated. For the 2016/17 season a management change saw Clive McNelly step up as first team manager. Playing out of Lowther Road, Emmbrook, unfortunately, the season did not pan out as expected with a number of player changes during the season, leaving the Sumas close to the bottom of Hellenic D1. In the 2017/18 season there were a number of changes within the senior section, with the thriving youth section taking over the running of the senior teams under the existing youth section committee. Steve Williams took over as Club Chairman, Bob Good, an ex-Wokingham player himself, Club Secretary & a full set of committee members involved in every aspect of running the club. The new committee appointed Dan Bateman as 1st team manager, The 2018/2019 season saw Dan Bateman look to youth into the team & whilst there was no silverware the team finished 6th & more importantly laid the foundations for the future as we look to challenge from our newly revamped home ground in Emmbrook .In addition to youth, there was also the welcome return of Matt Eggleston to First Team Management. 2019/2020 - Following the Local Council's approval of the planning application in July 2018, the Club were delighted to return to Wokingham with new facilities at Lowther Road that included floodlights, a 100 seater stand and associated works. That season also saw the reintroduction of an Allied Counties U18 team . Despite a great season, due to Covid the team who were pushing for a 3rd place finish had to see the season curtailed . 2020/2021- The season started with some great performances & results but was again curtailed . However this time with the team unbeaten & sitting at the top of the Hellenic East Step 6 , have been promoted to Step 5 & the newly reorganised FA Structure , playing in the Combined Counties North . In addition as the season recommenced we also advanced to the Subsidiary Cup Final narrowly losing to Abingdon Town . We now look forward to this new challenge , albeit sadly seeking new management as joint managers Dan Bateman & Matt Eggleston stepped down during the summer . Their contribution has been immeasurable & we are pleased they will stay involved with the Club in the future . Whilst season23-24 was a momentous one for the club, who sat bottom of the league with 12 games remaining. Under the new management of Darren Purbrick & Matt Eggleston, the team won six of its final 10 games during the month of April to eventually secure a respectable 15th position. Continuing for season 24-25 Matt and Darren led the club to a 14th place finish . The club now boasts players from more than 64 teams representing Wokingham Town from the age of 7, including thriving girls & women's teams, U18 Allied team, Reserves & over-50s and 60s walking football teams.
