## A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

## CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground (Ascot United) and won the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup, aka the League Cup.

## AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying the state of the art 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

## Brief history of Windsor & Eton FC

The original Windsor & Eton Football Club was formed in 1892 and played at Stag Meadow from 1911. They had a proud history including numerous FA Cup runs until they hit harder times and were wound up with large debts in 2011. Now a new club, also called Windsor & Eton Football Club, has been formed, and been granted a lease for Stag Meadow. It has been set up as a Community Interest Company, which ensures that its purpose is to serve the community.

Of course, as a new club were starting near the base of the football league pyramid but with volunteer support, community engagement and focussed management were looking forward to a rewarding adventure as we put Windsor & Eton back on the football map. Every weekend 50+ teams and over 600 players represent us. One of our main goals is to celebrate and enjoy all that is great about football... young people doing something they love. Something which is physically active, mentally stimulating and needing time, effort and commitment to achieve success, which will provide enjoyment and entertainment for both themselves and the supporter..... if not a little bit of stress for all of the parents/carers on the side-lines!

Each year the club hosts a 2-day youth tournament for boys and girls aged between 7 and 15 years of age. Last year the tournament attracted over 200 teams and 2,000 players from across the area. Widely regarded as one of the most popular and best-run youth tournaments in the South of England the competition goes from strength to strength each year.

We pride ourselves on being more than just a football club. We want to sit at the heart of the community in Windsor and use our platform to promote important local causes. Examples of our recent initiatives include, supporting the Windsor Homeless Project's annual sleep out event, supporting Cancer UK's Blue Bike Ride and being proud supporters of World Mental Health Day. As a club we are also building close relationships with the local schools in the town.

Our home, Stag Meadow, is a unique venue. It's one of the few football grounds in the country that is housed on Royal property. The club enjoys a very close relationship with our landlords, The Crown Estate. Stag Meadow was gifted to the original Windsor & Eton Football Club by King George V in 1911. Through the years many big sides, including current Premier League clubs, Arsenal, Chelsea, Tottenham, ournemouth and Brentford have played 1st team sides at Stag Meadow, as have European side Rec Star Belgrade. And so have some of the greats of English football over the years including, Jimmy Reaves, George Cohen, Billy Wright, Peter Osgood, and Pat Jennings. Harry Redknapp brought ournemouth side here for an FA Cup encounter back in 1985 and Sir Bobby Robson brought his famous Ipswich Town side to Stag Meadow back in 1975.

The ground has held significant number of crowds throughout its history, the largest being an impressive 8,500.

## Our FIFA Certified 3G Artificial Pitch

[Burnham Football Club](#) has invested heavily in a FIFA Certified state-of-the-art 3G artificial pitch. Along with free parking and hospitality, this is the perfect facility for hosting charity matches, corporate football matches or even filming promotional videos. If you would like to book our [3G pitch](#) you can do it using the booking form provided here. Simply tell us your dates and times and we'll talk to you about availability and payment.

If you arrive early, for whatever reason, no problem. You can wait in the Blues Bar or in the outside seating area until your allocated start time. We also ask you to allow enough time before your paid session ends for the hand over. Once you have finished your match why not grab some refreshments from the [Blues Bar and Cafe](#) before leaving The 1878 Stadium. Further information: [What's the difference between 3G and 4G?](#)

### **Pitch dimensions**

115 yards by 75 yards. The distance of pitch from the dressing rooms is 5 meters.

## Important information for players, managers and spectators

We have VERY strict rules regarding permitted footwear when anyone enters the pitch enclosure. Rules that apply to players, those in the dugouts and supporters who, for example, want to take photos. Please read – [Permitted Footwear at The 1878 Stadium, Burnham Football Club](#)

### **For the benefit of the players**

We want people to enjoy their time at The 1878 Stadium. If for any reason you forget to bring your boots or Astros, there is a selection of boots in various sizes you can borrow while you are here. Just ask a staff member at pitch side hatch for help.

Sitting or laying on the pitch (unless genuinely injured), wearing flat shoes, trainers, sliders, socks or bear feet has the effect of ironing the grass fibres. Flattening the surface damages the complex water drainage system, causing waterlogging and dramatically reducing the life expectancy of the artificial pitch. Socks only, bear feet, shoes, trainers or sliders with flat soles are NOT permitted – No Excuses! Abusive behaviour towards staff will not be tolerated. If you want to learn why, [click here](#)

### **Please be aware:**

- All teams are asked to share permitted footwear guidance prior to match day.
- There are signs strategically positioned explaining the rules.
- Our pitch, our rules – Ignorance is no excuse.

## What's the difference between a 3G and 4G pitch?

We, namely the staff and volunteers at [Burnham Football Club](#), are often asked to clarify the difference between 3rd Generation (3G) and 4th Generation (4G) pitches. Specifically the use of artificial surfaces for football here in the UK.

Our traditional grass football pitch was replaced with a new 3G artificial pitch during the summer of 2021. We took the decision to use a black rubber crumb infill rather than sand and continue to undertake regular maintenance to keep the surface in tip top condition for all who play on it.

The FA and therefore their related leagues require all 3G football pitches to have a valid FIFA certification and here's the main register of 3G pitches for England hosted by [The Football Foundation](#). The following statement can be found on page 5 of the [The FA Third Generation Football Turf Guidance](#) PDF document:

*At the moment there is no such thing as 4G or 5G, terms sometimes used by sales-people. Some manufacturers may promote non-infilled products, but these have not received acceptance as a suitable football surface and often struggle to satisfy FIFA requirements.*

It's also important to note that, in our opinion, the use of the phrase 'All-Weather' is also another 'sales' term. Artificial pitches can indeed withstand a variety of weather conditions including rain and frost. However, a match may still be postponed because of heavy snow fall and using a brush or drag mat to clear snow can result in crumb displacement. If you would like to know more, speak to a supplier, for example [Velocity Sports](#).
